TEMPORARY NEW GRASMERE ENTRANCE

Dear Parents and Carers

We are very excited that our new building extension is well under way! Once complete it will provide much needed additional teaching space – and will also join Tadpoles to the main building – so it will be a real boon!

Now that the modular building is in place, the next stage is for the builders to join this on to both existing buildings, and we will therefore not have access into the Grasmere building via the current reception area.

For the rest of this half term, therefore, the Family Room will be used as a temporary Reception, and a new pathway has been constructed which you will find to your right when you have entered through the green gates from the park. We will still be running Breakfast and After School Club from the Family Room, so other than these clubs, there will be no entry to the school before 8.45am in the morning, or after 3.40pm. Unfortunately this also means that we will not be able to accommodate buggies or prams in the Family Room, and we will not have access to the Buggy Store either. There are a couple of shallow steps at the base of the Family Room access path – please ask staff if you need any help.

This temporary entrance should only be until February half term.

We apologise for any inconvenience that this may cause – and would like to thank you all for your support. If you have any questions in the meantime, please do not hesitate to contact me or the office staff.

Many thanks and best wishes to you all,

Joy Luxford
