CAR PARK - IMPORTANT SAFETY NOTICE

Dear Parents/Carers of Tadpoles and Grasmere

Following a couple of incidents in the car park, and advice from Luton Borough Council's Health and Safety in Education Officer, I must bring to your attention that the **school car park is for staff and visitors only, and is not safe for children.**

The Nursery can be accessed via the Grasmere Road entrance, and in addition, the council has provided a parking bay for those wishing to enter via the Icknield Way entrance.

We do, of course, have the provision of a Disabled Parking Space within the car park for use by parents who are registered disabled, or have a child with disabilities.

It is important, for the safety of all of the children on site, that this policy is followed by everyone.

Many thanks for your support in this matter.

Best wishes
