

Grasmere Nursery School

Charging and Remissions Policy

Rationale

This charging and remissions policy complies with statutory requirements, has regard to the Authority's policy statements on charging and is regularly reviewed.

Charging Policy

Voluntary Contributions

The school may ask for voluntary contributions towards the cost of school time activities to assist with funding a subject to the following conditions:

- Any children of parents who do not wish to contribute will not be treated any differently
- Where there are insufficient contributions to make the activity viable then the activity will be cancelled

Chargeable Activities

The school may recover the full costs of the following activities but charges will not exceed the actual cost:

- Day care facilities

Remissions Policy

Charges for 'chargeable activities' may be fully or partly discounted/waivered at the discretion of the Governing Body. Details of any remission arrangements will be made clear when parents are informed of charges for individual activities

Emergency Closure of the Nursery

Grasmere Nursery School cannot provide refunds to parents for emergency closure as we still need to pay staff who cannot get in to the nursery and such events are deemed to be force majeure. We understand that it is enormously inconvenient and potentially costly to parents if the nursery is forced to close and we will strive to keep the nursery open wherever possible. We believe that you can take out insurance against this eventuality.
