SNOW!

Dear Parents and Carers

I am taking this opportunity of sharing our procedures in the event of severe weather conditions.

During bad weather, we will always do our very best to stay open, whilst ensuring that we follow the guidelines set down by Luton Borough Council in terms of Health and Safety.

We will clear the paths from Icknield Way and the path from the large green gate to Reception. Unfortunately, as the park is outside of the school site we will be unable to clear the park path itself.

Car Park: As you are aware this is a staff, visitor and deliveries car park, and is not safe for children.

As stated earlier, we will keep the school open whenever this is possible to do safely. However, should either the school grounds be considered unsafe for the children and adults, or staff be unable to get in due to closed or unsafe roads, we may have no alternative but to close or open slightly later. Also – if we are open but weather conditions worsen during the day, we may have to close early.

All school closures will be listed on the Luton Borough Council Website (www.luton.gov.uk) – search 'School Closures'. Also, if we are closed, we will do our utmost to contact you by ParentText as early as possible in the morning, and will also aim to put the news on the front page of our website (www.grasmere.nursery.co.uk).

If we are forced to close early, we will contact you by text and/or 'phone – so do please ensure that the telephone numbers which we have for all of the authorised adults on your children's contact sheets are up-to-date and correct.

Many thanks and best wishes to you all,

Joy Luxford
