OFSTED REPORT October 2019

Dear Parents and Carers,

Further to the recent Ofsted Inspection of our 3-5s provision, I am writing to inform you that the report is now on our school website – and will be published on the Ofsted website next week.

As you may be aware, a new Ofsted Framework for Inspections was introduced this September. As a Maintained Nursery School, we have the same inspection as all other schools – primary and secondary – for our older children (3-5s).

Whilst we are very pleased that the school's strong emphasis on providing a safe, inclusive and happy learning environment for all of our children was fully recognised and reported, we are very disappointed that we were not able to articulate and evidence fully how our curriculum provides the best possible start for our young learners across all subject areas as required by the new Ofsted Framework.

The Leadership of the school – including its Governors – are reviewing this issue thoroughly, and will ensure that the areas which we need to improve are addressed to ensure full compliance.

We will be hosting a Coffee Morning for parents and carers on Thursday 14th November at 9.30am, where the Senior Leadership Team and a Governor will be there to answer any of your queries. Please complete and return the slip below by Tuesday 12th November if you would like to attend.

With All Best Wishes
