Looking at a screen over a long period of time is not good for your eyes, so all your teacher's thought you should rest your eyes for the day. Therefore we are introducing 'Screen Free Friday's', which some other schools are doing too.</p> <p>Your challenge for the day is to do something which does not involve your IPad or computer screens. We are going to give you a few ideas, but I wonder if you could think of anything yourselves. Send into ClassDojo what you do! Have fun 😊</p> <ul style="list-style-type: none"> • Tidy your bedroom. • Make up a dance to your favourite song. • Make your own healthy lunch. • Do the washing up. • Build a den outside or inside. <p>Go on a pebble hunt. Can you paint your pebble?</p>
