Fri

Screen Free Friday!

We know you have all been spending a lot more time on screens these days. Looking at a screen over a long period of time is not good for your eyes, so all your teacher's thought you should rest your eyes for the day. Therefore we are introducing 'Screen Free Friday's', which some other schools are doing too. Your challenge for the day is to do something which does not involve your IPad or computer screens. We are going to give you a few ideas, but I wonder if you could think of anything yourselves. Send into ClassDojo what you do! Have fun 😊

- **Share a favourite story**
- **Go on a treasure hunt**
- **Make and decorate some cakes**
- **Build the tallest tunnel or tower.**

The activities will go on throughout the school day, one in the morning, one after lunch and one towards the end of the day. **Red text means it will be a video from staff.**
